Beetle Farm

Late June to Mid-August

Something to enjoy only during the summer season! We have many Japanese rhinoceros beetles and stag beetles at the pasture. How many will you be able to find?

Char-grilled BBQ

After a full day of fun, recharge your batteries with delicious food! You can enjoy authentic char-grilled BBQ at the restaurant on our premises. Enjoy feasting outdoors by grilling mountains of fresh food ingredients!

We can accommodate groups of up to 200 diners (booking is advised for groups)

Natural water mist

So
cooling

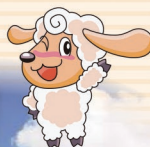

Fine mist is sprayed into the air, using an abundant amount of natural mineral water from Mt. Daisen. It makes the air cool and pleasant on a hot day. Refresh your mind and body in the Oasis area!

We also have soft-served ice cream made with goat's milk!

Looks
delicious!
